WIN

WIN A WENGER WATCH

Elegance is enduring, elegance is eternal and this season Elegance is a women's watch from the purveyors of chronograph chic - Wenger.

Elegance embodies perennial time-keeping style. With just the right smattering of subtle bling in the form of Alpine crystals sourced from high in the Swiss Alps, and a Mother of Pearl face, the watch is available with a stainless steel band, white leather band or white mock-croc band.

Elegance features stainless steel casing, Swiss movement and a super-hard, scratch-free sapphire crystal face (the hardest known glass); ensuring the watch stands up to the uncompromisingly high Wenger standards of quality.

This beautiful Swiss-made timepiece guarantees that you'll be right on time, in the most fashionable way, season after season. Elegance is available from \$395 for the white leather execution, \$495 for the white mock-croc band, or \$475 for the stainless steel band version.
