

LITTLE JOE'S LITTLE PARTY

Sydney resident Gail Elliott introduced London to her Little Joe collection with a glamorous tea party at the Soho Hotel. It turned into a hot A-list micro bash with Renée Zellweger, Dita Von Teese, Sienna Miller, Yasmin Le Bon and a very pregnant Natalia Vodianova all fingering Gail's new cashmere range. Christopher Bailey even managed to break away from the office to pop in and pay his respects. But then, like any real Yorkshire lad, he loves a good cup of char.
