Little Joe by Gail Elliott leather and metal, \$430; 02-9328 0799.

### WAYS TO WORK IT...

- The statement belt is best for evening; let the buckle be the focus.
- Try a skinny sliver of metallic, a wider style with shimmer and detail, or stick to classic black and tan tones.
- Wear it with...black jeans to make the belt a feature; or a plain dress to cinch and create shape.
