SYDNEY SCENE

Sydney's VIPs packed their bags and jetted off for this year's Audi Hamilton Island Race Week. The hot ticket was the Little Joe Resort 2009 runway show, held at Hamilton Island Yacht Club. The collection was made up of beautiful resort wear, with everything from silk jumpsuits with delicate beading to cute kaftans. "It was an honour to be showing Little Joe at Hamilton Island Yacht Club," designer **Gail Elliott** said. "It was a beautiful setting; the night was perfect." Guests included the Oatley family, **Kristy Hinze** and husband **Jim Clark**, and ModelCo was the official beauty partner. The collection, titled Jet Set, will hit stores in October.
